### **3. Introduction**

Dissemination activity goals – Info day, which was realized on Tuesday, April 19th 2016 at the premises at University of Banja Luka were:

- Introduction of the Project to the academic staff, students and HU sector
- Exchange of experiences and thoughts about the need and abilities of connecting the higher education and the labor market, and
- Identifying proposals for actions and measures within WP3

### **4. Short description of the activities**

On Tuesday 19 April at the Faculty of Political Sciences was held at Info day with students with disabilities. At the meeting were some 20 students. Among those present was also Sanja Malic - representative of HO Partner. At the beginning of the Info day the students learned about the objectives and key activities of this project. After introductory remarks, discussed the most important issues relevant for all students with disabilities. Students pointed out that it's very important that the equipment be procured project is consistent with their educational needs. A number of students suggested that in the near future considering the elimination of architectural barriers in all faculties of the University of Banja Luka. It was agreed with the students that they will be provided with ongoing cooperation project team members with smaller groups of students.

### **5. Next meeting**

Next dissemination meeting will be held in September 2016.
