# Partner Cooperation and Collaboration

## P0/1: Rating of „Cooperation and Collaboration“ indicators

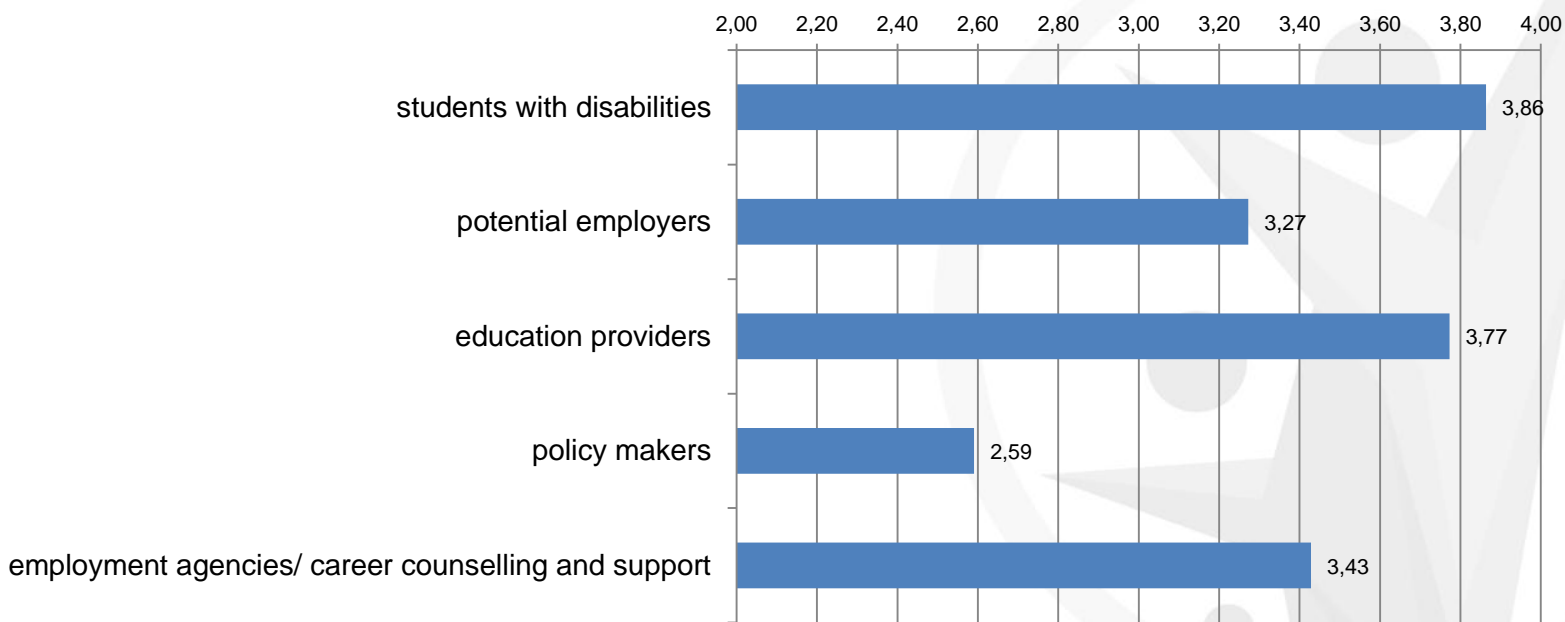

# Partner Cooperation and Collaboration

## P0/1: Conclusions and recommendations

- Clarify handling and use of communication platform.
  - Improve transparency and comprehensive / holistic understanding of partners about the overall project.
  - Provision of a project glossary on crucial terms and frequently raised questions.
  - Closely monitor active contribution of all partners to the project.
- ☺ **Overall results are very satisfactory and recommendations are primarily meant in order to smoothen project processes – no critical aspects so far.**

# Impact and Sustainability

P0/1: Rating of „Impact & Sustainability“ indicators

# Impact and Sustainability

## P0/1: Conclusions and recommendations

- Ensure start of more intensive target group involvement as of now.
  - Introduce special measures to involve “employers”, “policy makers” and “employment agencies/ career counselling and support”.
  - Make sure (target group specific) dissemination material is available.
  - Closely monitor and possibly address interests and needs of partners in order to generate an added value.
  - Look for opportunities to interrelate project and regular partners activities.
- ☺ **Overall results are satisfactory but “impact and sustainability” considerations should be intensified from now on.**
