Introduction

Objectives of the dissemination activities and discussed issues:

- Basic information on the goals of Trans2Work project,
- Connecting of students with disabilities and employers,
- Possibilities of participation in the programme of mobility of students with disability,
- Project dissemination activities,
- Discussion on activities with the aim of improving the position of students with disability during the studies and their employment.

Short description of activities

Info Day within the Erasmus+ program and Trans2Work project related "School-to-Work Transition for Higher education students with disabilities in Serbia, Bosnia & Herzegovina and Montenegro (Trans2Work)" was held in the Small conference room of the Rectorate of University of Montenegro on June 21st, 2017.

Beside the team members from the University of Montenegro, Association of Youth with Disabilities of Montenegro, Employment Agency of Montenegro and University of Donja Gorica, other representatives of students with disabilities and participants were also presented, namely: Association of Blind of Montenegro, zaposli.ME, daily newspaper Pobjeda, Association Women Entrepreneurs Montenegro, Millennium Business Group, Employment Agency – Multidisciplinary Education Center Pamark, Association for Employment, Adult Education, Organization and Performance of Professional Rehabilitation – ZOPT and student ombudsman of University of Montenegro.

During the Info Day, basic information about the position of students with disabilities in Montenegro was given; there were presented the possibilities for employment of students with disabilities after acquiring higher education; the application of information technologies in improving the connection of students with disabilities and employers, as well as the mobility of students with disabilities within the framework of the Trans2Work project (the emphasis is made on the practice of students at employers' organizations in Montenegro or other partner countries).
