in Serbia, Bosnia & Herzegovina and Montenegro*

## Introduction

Objectives of the dissemination activities and discussed issues:

- Informing students about the project objectives, outcomes and results on the project
- Informing students about special mobility strand
- Presenting project results
- Presenting general needs and equipment used by students with disability
- Presenting project results on Maritime Faculty Kotor, University of Montenegro

## Short description of activities

On Tuesday, 05<sup>th</sup> of December on Belgrade Metropolitan University was held info day about TRANS2WORK project and special mobility strand. At the beginning of the info day doc. Dr. um Katarina Kaplarski, professor from Belgrade Metropolitan University, presented about different kinds of disabilities pointing on the problem on inclusion. Her mission was also to present equipment used by students with disabilities in order to overcome problems which occurred using traditional equipment. Second part of the info day was reserved for presenting TRANS2WORK project and its objectives. Main topic of this part was special mobility strand and its opportunity for providing a chance for students with disabilities to do internship in a real company. Furthermore MSc Maja Škurić from Maritime Faculty Kotor, University of Montenegro, presented outcomes and activities of this project on her university. Final part of info day was reserved for discussions where students had opportunity to discuss everything with speakers.
