2. Introduction

On 25th January 2018, University of Montenegro, Maritime Faculty Kotor in cooperation with Association of Youth with Disabilities of Montenegro organized a project meeting for students with disabilities. The goal of the meeting was to prepare the necessary documentation for Special Mobility Strand within the Trans2Work project as well to register to the project web based tool.

3. Short description of activities

Five students applied to the Special Mobility Strand in the program *School-to-Work Transition for Higher education students with disabilities in Serbia, Bosnia & Herzegovina and Montenegro* (Trans2Work project) and the mobilities will start in May this year.

Project No: 561847-KA2-CBHE

*School-to-Work Transition for Higher education students with disabilities
in Serbia, Bosnia & Herzegovina and Montenegro*

This was one of the main issues on the project meeting that was organized by the Maritime Faculty Kotor together with the Association of Youth with Disabilities of Montenegro. The meeting was held in Rectorate building of University of Montenegro.

Also, the preparation of all documentation including motivation letter, CV, questionnaire and student registration to the project web based tool were elaborated. Employers from Bosnia and Herzegovina were discussed as well as the students' choice regarding the appropriate employers were reported.

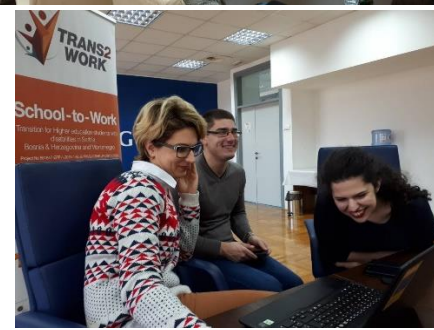

Finally, the support of preparation of documentation during the whole program for the students that will participate will be provided.

More can be found at: <http://www.trans2work.me/mne/>.

4. Next activity

Next activity will be the info day with students with disabilities in February 2018.
