2. Introduction

On 5th April 2017, AYDM participated on the PWD's employment fair, organized by Employment Agency of Montenegro. The goal of the fair was to inform public about possibilities and opportunities employers and employees with disabilities can have in the process.

AYDM had the stand on the International book and education fair in Podgorica 2nd-9th May 2017. One of the goals of the fair was to inform public about educational opportunities in Montenegro.

There were about 300 visitors on both events.

3. Short description of activities

On the PWD's employment fair AYDM's projects related to employment of PWDs, including Trans2Work, were presented on the AYDM's stand. AYDM management team informed visitors about the project, its goals and activities and invited interested people to follow web site of the project and social media. All interested students were offered information how to take part in project activities, how they can participate in SMS and get practical working experience.

During book and education fair, AYDM presented projects related to education of persons with disabilities. Management team and volunteers informed all visitors about goals and activities within Trans2Work project. They presented achieved results, informed interested young persons with disabilities how they could join activities and participate in SMS, and also about support AYDM can offer them in that process.

4. Next activity

Next dissemination activity will be the workshops with employers and students with disabilities and their families at the end of May and June (the date will be discussed with MNE partners).
